

EAZA supported conservation project

EAZA *in situ* conservation database May 2006

Africa (101)

Central Africa (6)

Central African Republic-CF

Mandika Gorilla Project

Congo, Democratic Republic of the-CD

Education-programme with special emphasis on bonobos
Okapi Conservation Project

Congo, Republic of-CG

Lola Ya – Bonobo sanctuary
Programme CEDRETA - sustainable conservation of African tropical ecosystem
Project Help Congo

East Africa (24)

Comoros-KM

Livingstone's fruit bat conservation project

Djibouti-DJ

Biodiversity conservation and environmental education in Djibouti

Ethiopia-ET

Ethiopia - biodiversity conservation and management
Grevy's zebra survey in Ethiopia

Kenya-KE

Amboseli Elephant Research Project
Black rhino programme (Kenya Wildlife Service)
Grevy's zebra conservation in Lewa Downs
Maasai Appeal (Kenya Wildlife Service)
Pancake tortoise conservation project
Rhino programme - Rhino enclosed reserve project
Save the Elephants
The Drusillas in Africa project – education project
Tsavo Rhino Project

White rhino programme (Kenya Wildlife Service)

Seychelles-SC

Rehabilitation of Anonyme Island in the Seychelles
Species Recovery Programme for the Rodrigues fruit bat

Rwanda-RW

Akagera survey, Rwanda
Gorilla project in Volcanoe National Park

Tanzania-TZ

Support for Mikumi National Park

Uganda

Conserving cows, culture and wildlife in Uganda
Large predator & scavenger research management project (Uganda)
Ngamba Island Sanctuary

Ethiopia/Kenya/Tanzania/Uganda

Pan-African programme for the control of epizootics

Kenya/Tanzania

Aders' duiker Conservation

North Africa (8)

Egypt-EG

North African tortoise conservation, Egypt
St Katherine's Protectorate, Egypt

Morocco-MA

Barbary ape (Morocco)
Waldrapp ibis project in Mezguitem, Morocco

Tunisia-TN

Reintroduction of Cuvier's gazelle in Boukornine National Park (Tunisia)
Scimitar Horned Oryx reintroduction to Sidi Toui
Status of conservation of Cuvier's gazelles in Tunisia

Morocco/Tunisia

Release of antelope in Morocco and Tunisia

South Africa (43)

Botswana-BW

Botswana Cheetah Conservation programme
Lions of the Kalahari

Madagascar-MG

Antongil Conservation - Madagascar Program
Fossa project in Madagascar
Lake Alaotran Gentle Lemur
Education project on Lemurs (Tzimbazasa Zoo)
Madagascar flat-tailed tortoise project
Madagascar Giant Jumping Rat project
Madagascar Pochard project
Madagascar side-necked turtle project
Madagascar teal project
Masoala Rainforest project
Meller's duck project
Ploughshare tortoise project
Project Tsimbazaza
Sahamalaza project - Sclater's lemur

Sokapila - Madagascar radiated tortoise programme

Mauritius-MU

Gerald Durrell Endemic Wildlife Sanctuary, Mauritius
Mauritius kestrel project
Mauritius Pink Pigeon project
Mauritius Project Support
Round Island Skink project
Species Recovery Programme for the Echo Parakeet
Species Recovery Programme for the Rodrigues fruit bat
Species recovery programme for the Round Island Boa
Species Recovery Programme for the Round Island Gecko

Namibia-NA

Conservation of rhino in Etosha Rand, Namibia
Ombili Foundation project – education in Etosha National Park
Population ecology and sustained use red hartebeest

South Africa-ZA

African white-backed vulture
Black rhino project (South Africa)
Rescue of black-footed penguins from oil spill
Ecology and Behaviour of the Black-footed Cat
Hunting dog ecology research project
Pilanesberg Tshukudu 2000
Rehabilitation Jackass penguin in South Africa

Zambia-ZM

Education training project - Munda Wanga
Luambe National Park (Zambia)

Zimbabwe-ZW

African Wild Dog Project
Cheetah conservation in Zimbabwe
Hwange lion project
Matobo small antelope project
Rhinoceros conservation and management

West Africa (20)

Benin-BJ

Red-bellied monkey

Cameroon-CM

Barombi Mbo - rehabilitation of fishery and conservation of endemic cichlids
Cameroon reef and Freshwater fish project
Community engagement and support around the Dja Biosphere Reserve
Conservation plan for lions in West and Central Africa
Parasitic burdens of lowland gorillas in Cameroon
Project Grands Singes, Cameroon

Cote D'Ivoire (Ivory Coast)-CI

West African Primates Action - Cote d'Ivoire

Gambia-GM

Abuko Nature Reserve, the Gambia

Ghana-GH

Training in zoo staff in Ghana (Joint Zoo Programme)

Niger-NE

Rescue the last Niger giraffes

Status and conservation of the Sahara cheetah

Nigeria-NG

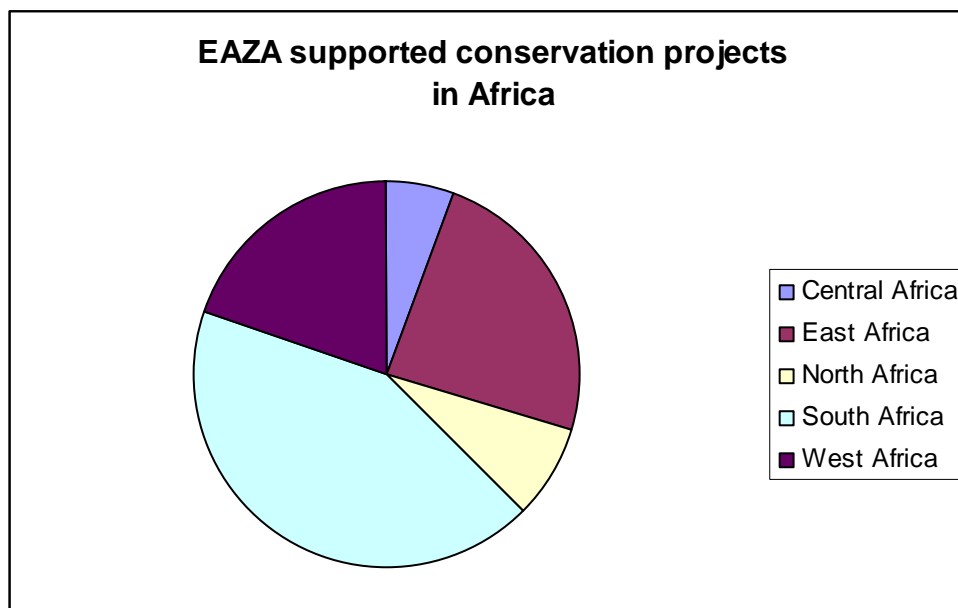

African Wild Dog study (Nigeria)
Black Crowned Crane Project grant
Conservation in Oma Forest (Nigeria)
Cross River gorilla project
Drill Rehabilitation and Breeding Centre
Gashaka Gumti primate project

Senegal-SN

Black Crowned Crane Project

Togo-TG

Support for smallholders in Togo

Americas (65)

Caribbean (8)

Antigua and Barbuda-AG

Antigua racer project

Cuba-CU

Cuban Solenodon Conservation Programme

Montserrat-MS

Conservation of the Montserrat mountain chicken
Conservation of the Montserrat oriole

Saint Lucia-LC

St Lucia Iguana project
St Lucia racer on Maria Island Major project
St Lucia whiptail lizard project

Anguilla-AI

Lesser Antillean Iguana

Central America (6)

Belize-BZ

Red Bank Scarlet Macaw Project

Rehabilitation and release of wild native cats (Central America)

Costa Rica-CR

Colimo – conservation of spider monkeys in Costa Rica
Lapa Verde – Buffon's macaw conservation
Sea turtle migration

Honduras-HN

Greenforce Honduras reef survey grant

North America (5)

Greenland-GL

Harbour seals in Kagerlussuaq/Sonder Strom
Mapping of Trout streams in used and natural streams in Sisimiut County
Walruses in North-East Greenland
Zackenbergs Ecological Research Operations

Mexico-MX

Mexican Fish project

South America (46)

Argentina-AR

Le projet Aguara Guazu: protection of wild carnivores in Northern Argentina

Bolivia-BO

Santa Rosa spider monkeys (Keeper for a day fund)
Red-fronted macaw conservation

Brazil-BR

Blue Winged Macaw Project
Buff-headed capuchin monkey in Brazil
Conservation of the black lion tamarin
Conservation of the black-headed lion tamarin
Conservation of the pied tamarin
Ecology and behaviour of yellow-breasted capuchin monkey
Golden Lion Tamarin Reintroduction
Golden-headed lion tamarin conservation and research project
International recovery and management committee of *Cebus xanthosternos*
Lion Tamarins of Brazil
Project BioBrasil
Projeto Arara Azul: conservation of the hyacinth macaw
Red-billed curassow (World Pheasant Society)
Rio de Janeiro Primate Centre
Survey of yellow breasted capuchin

Chile-CL

Conservation of the Humboldt penguin (*Spheniscus humboldti*) in Chile
Humboldt penguin Census
The Chilean huemul protection project

Colombia-CO

Ara ambiguus conservation - reproduction programme
Ateles ssp *ex situ* and *in situ* conservation – Fondation BIODIVERSA
Cotton-top tamarin – Fondation ECOLOMBIA
Giant otter *ex situ* and *in situ* conservation
Saguinus leucopus conservation project
Spider-monkey census

Ecuador-EC

Ara ambiguus – Fondation PROBOSQUE
Boa constrictor – Herpetological Foundation

Galapagos giant tortoise
Support for Awacachi Corridor Project

Falkland Islands-FK

Falklands Conservation Penguin Appeal
New Island South Conservation Trust - Penguin project
Support for Falklands Conservation

French Guyana-GE

KWATA Foundation: conservation of French Guyana biodiversity
Les primates guyanais - French Guyana primates

Peru-PE

Chaparri Reserve project
Education project for Humboldt penguin
Ikama Perou - Rehabilitation and conservation of woolly monkeys

Suriname-SR

Monkeys of Suriname

Antigua/Venezuela

Antigua racer project

Argentina/Bolivia/Peru

Population demographic and genetic analyses on the Andean bear (*Tremarctos ornatus*)
in the southern Andes

Bolivia/Brazil/Paraguay/Venezuela

Jaguar-Rancher programme

Brazil/Ecuador

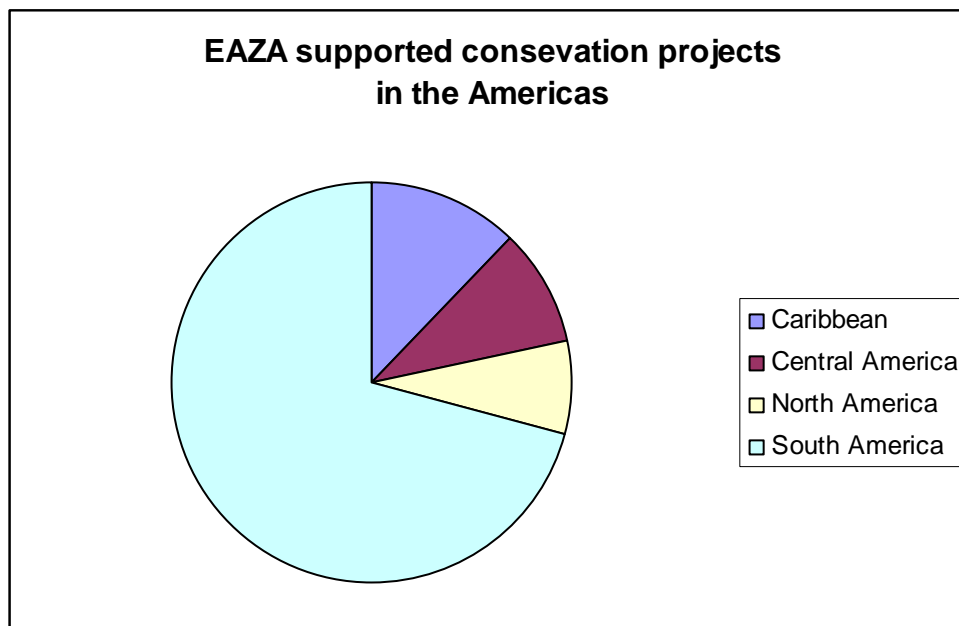

Lowland tapirs as landscape detectives for the Atlantic Forest: a new conservation
approach

Chile/Peru

Education Truck

French Guiana/Suriname

Giant otter project

Asia (82)

Central Asia (1)

Turkmenistan-TM

Kulan protection project

East Asia (9)

China-CN

Sichuan biodiversity research

China Sea coral reef biodiversity study

DNA research on red panda

Giant Panda research

Hainan gibbon conservation project

Conservation management of yellow throated laughing thrush

Mongolia-MN

Reintegration of the Przewalski's horse in Mongolia

Wolves (*Canis lupus*) around Hustain Nuruu National Park, Mongolia

China/North Korea/Russian Federation

Mapping Amur tiger habitat

Middle-east (6)

Iran-IR

Cheetah conservation and habitat protection in Iran

Israel-IL

Raptor Reintroduction Project

Saudi Arabia-SA

Saudi Arabia bird survey 1 (Keeper for a day fund 2000)

King Khalid Wildlife Research Centre, the Royal Kingdom of Saudi Arabia

Onager project in Saudi Arabia

Jordan/Saudi Arabia/United Arab Emirates

Reintroduction of the Arabian oryx

South Asia (21)

India-IN

Bengal tiger conservation programme, India

Community Conservation in Bhadra, India

Community Conservation in Kudremukh, India

Community conservation in Nagarahole, India

Community leadership for tiger conservation, India

Impact of ivory poaching on elephant populations in South India

Investigation into poaching and illegal trade, India

Karnataka tiger conservation, India

Mammal monitoring in the Nilgris, India

Management training for wildlife officials, India

Man-elephant conflict in Assam (India)

Pygmy Hog Conservation Programme

Reproductive genetics and parasitic impact of habitat fragmentation in lion-tailed macaque.

Support for Sariska National Park, India

Support for Sitanadi, Udanti and Barnawapara National Parks, India

Wildlife SOS - Agra rehabilitation centre for sloth bears

Nepal-NP

Babai River, Royal Bardia National Park, Nepal

Gange's gaviel project

Wildlife and domestic veterinary programme, Nepal

Sri Lanka-LK

Conservation of Sri Lankan elephant (field scouts programme)
Solving the human-elephant conflict (HEC) in Sri Lanka

South-east Asia (45)

Cambodia-KH

Angkor Centre for Conservation of Biodiversity (ACCB)

Indonesia-ID

Banggai Cardinals Project
Booted macaque density estimation
Community awareness, habitat and wildlife protection plan for the Wae Wuul nature reserve, West Flores
Conservation biology and population management of Komodo dragons
Population survey and habitat assessment of crested black macaque
Environmental education for Komodo dragon
Haruku Megapodidae Project
Javan warty pig (*Sus verrucosus*), semi-captive breeding feasibility study.
Kalaweit - Gibbons and Siamang Conservation Project
Borneo orang-utan project (Keeper for a day fund 2001)
Kerinci Seblat Tiger Protection Project
Leuser National Park development programme, Indonesia
Orang-utan conservation project in Kalimantan, Indonesia
Protection of even-toed ungulates of Sulawesi
Seasonal migration, ranging patterns and population structure of Sumatran orang-utans
Status and threats of hornbills in Sumatra
Sumatran orang-utan conservation programme (SOCP)
Sumatran Tiger Conservation Team
Sumatran Tiger Project, Way Kambas, Sumatra
The Kinabatangan Orang-utan Conservation Project
Tigers in an oil-palm plantation, Sumatra
Tigers in forest edge, Sumatra
Ungulates of Sulawesi

Malaysia-MY

Borneo orang utan project (Keeper for a day fund 2001)
Malayan Tapir Conservation Project
Management of Krau Wildlife Reserve
Model Elephant conflict mitigation squad for the lower Kinabatangan wildlife sanctuary, Sabah, Malaysia
Semporna Islands project grant
The Kinabatangan Orang-utan Conservation Project

Philippines-PH

Conservation of Philippine biodiversity
Conservation of Philippine eagle owl
Philippine Conservation Centre in Negros
Philippine Owl Conservation
Philippine spotted deer conservation project
Philippines Bird Project
Philippine Hornbill Conservation Program

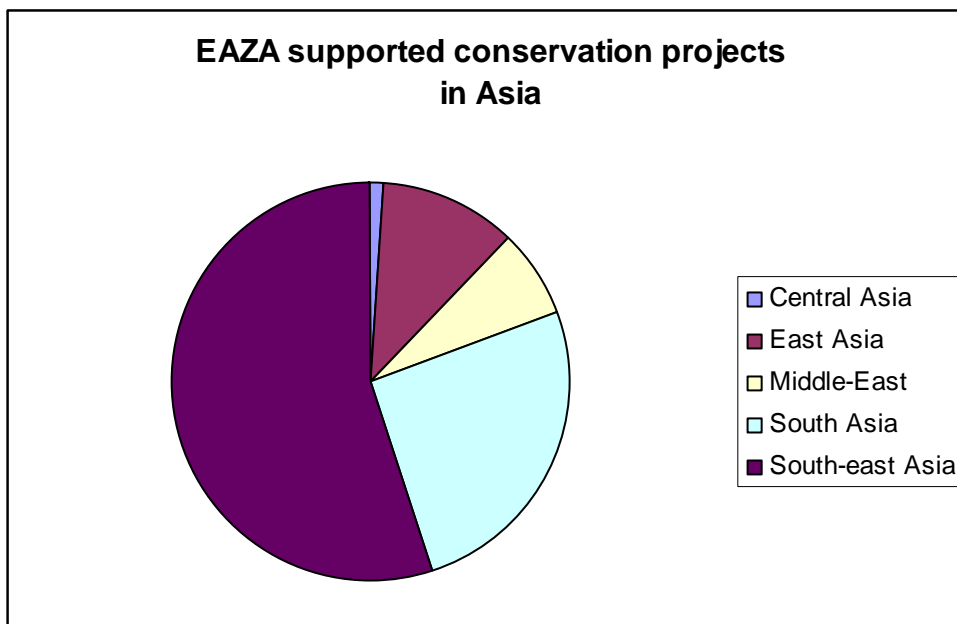

Thailand-TH

Asian Conservation Awareness Programme (WildAid)
Bring the Elephant Home (Thailand)
Hornbill Nest Adoption

Vietnam-VN

Cat Ba Langur Conservation Project

Conservation project for gibbon in Cuc Phuong National Park (Vietnam)
 Phong Nha-Ke Bang Nature Conservation Project
 Support for the Owston's Palm Civet Conservation Program
 Tonkin Snub-nosed Monkey Conservation Project (TCP)
 Vietnam *in situ* breeding programmes

Europe (110)

Austria-AT

Natura 2000 – conserving the Feistritz gorge (Austria)

Belgium-BE

Nature reserve "De Zegge"

Czech Republic-CZ

Conservation program for the renovation and support of barn-owls (*Tyto alba guttata*) populations

Installation of bird boxes for little owl (*Athene noctua*), common merganser (*Mergus merganser*) and small birds

Reintroduction of common barn owl (*Tyto alba*) in Czech Republic

Reintroduction of Ural owl (*Strix uralensis*)

Denmark-DK

Consolidation of the Fire-bellied Toad in Denmark

Estonia-EE

Reintroduction of the European mink

France-FR

Common seals in Normandy

Ecole "Nicolas Hulot pour la Nature et l'Homme" – biodiversity and environmental education center

European Program Life Apron II - conservation of the French *Zingel asper*

Project Peregrine Falcon - Vosges du Nord (France)

Rehabilitation and reintroduction of the Lynx in the Northern Vosges (France)

Soptom turtle project

Georgia-GE

Conservation of Syrian spate-footed toad in Georgia

Germany-DE

Conservation of a meadow the butterfly *Maculinea nausithous* (FFH)
Conservation strategy for a large colony of *Corvus monedula*
Hamster conservation in Europe
Release of eagle owl in Germany
Suitability of moose for nature conservation management in a former military area
White stork in Goerlitz and surroundings

Greece-GR

Mediterranean Monk Seals project

Hungary-HU

European otter conservation programme (Hungary)
Hortobagy – Przewalski's horse reintroduction in Hungary

Ireland-IE

Purchase of Fenor Bog
Ringing wildfowl (Dublin Zoo)
Support for Ballyvergan Marsh Nature Reserve

Italy-IT

Conservation of Eurasian griffon vulture in Italy
Pheasant DNA Research

Latvia-LV

European tree frog reintroduction in Latvia

Netherlands, the -NL

Reintroduction of the European otters in Holland

Poland-PL

A University of Lodz & Lodz Zoo joint pilot project on the smooth snake *Coronella austriaca*
Conservation programme for Polish amphibians
Reintroduction of European Bison in Poland

Portugal-PT

Birds of prey (Portugal)
Blue shark satellite tracking
Protection of Portuguese amphibian turtle niche
Rescue, rehabilitation and reintroduction of stranded marine mammals

Romania-RO

Reintroduction of European bison, Romania

Russian Federation-RU

2001 tiger crate project
Research on the migration of black stork (*Ciconia nigra*)
Compensation programme for tiger depredations, Russian Far East
Conservation of Amur tiger and Amur leopard
Forest fire appeal, Russian Far East
Great bustard conservation project
Hunting lease management in the Russian Far East
Managing tiger habitat on unprotected lands in the Russian Far East
Monitoring of wild population of Stellar's sea eagle
Moving problem tigers in Russia
Operation Amba - Antipoaching brigades in Primorski Krai, Russia
Public Inspectors, Priimorskii Krai, Russian Far East
Reintroduction of red crowned crane in Khingansky Reserve
Acclimation of Asian spruce grouse (*Falcipenis falcipenis*)
Study of the wild population of spotted s(o)uslik (*Citellus suslicus*) at the northern border of the natural range

Slovakia-SK

Project Lynx (Slovakia)
Reintroduction of barn owl and common moorhen into the wild

Spain-ES

Recovery programme for the Mallorcan Midwife Toad
Recuperation of Hermann's tortoises in North-eastern Spain
Reintroduction of Eurasian otter in North-eastern Spain

Sweden-SE

Re-establish green toad populations (Sweden)
Lesser white-fronted goose – habitat restoration (Sweden)
Reintroduction of the peregrine falcon (Sweden)
Reintroduction of eagle owl in Southern Sweden
Reintroduction of white stork in Southern Sweden
White-backed woodpecker, *Dendrocopus leucotos* (Sweden)

Switzerland-CH

Foundation for Bat Conservation in Switzerland
LUNO: Swiss Lynx Project
Native wildlife in garden, village and countryside (Switzerland)

Turkey-TR

Sea turtle project

United Kingdom-UK

Avon Gorge and Downs Wildlife Project
Barberry Carpet Moth Reintroduction
Behavioural analysis of captive lion-tailed macaque (British zoos)
British field cricket conservation
Buzzard and kestrel activity in relation to land use
Chalk Downland restoration
Cheshire Wildlife Trust biodiversity survey
Conservation genetics of Père David's deer
Eelmoor Marsh Project
English nature veterinary project
Frog mortality in Britain
Great bustard conservation
Harvest Mouse reintroduction project (native species programme)
Hazel (common) dormouse reintroduction
Health surveillance of free-living red squirrels in the UK
Hornbill management research (zoo research)
Investigating Mycobacterium in Nile tilapia and perch (zoo research)
Meadow thistle conservation research
Establish new populations for native invertebrates (UK)
Natterjack toad breeding and reintroduction
Operation Barn Owl
Operation Raptorlink
Conservation of Primley Meadow and Clennon Wood
Protection of Slapton Ley
Reintroduction of reddish buff moth
Sand lizard reintroduction
Slapton Ley Eutrophication Research
Species recovery programme of the mole cricket in England
The epizootiology of parapox virus in squirrels *Sciuridae*
Water vole reintroduction project
Social dynamics of chimp groups (zoo research)
Large mammal observations (zoo research)
Environmental education training of Zimbabwean education officers from Mukuvisi Environmental Centre, Harare

Germany/Switzerland
Reintroduction of the Wildcat

Bulgaria/Greece/Macedonia
Bearded vulture in the Balkans

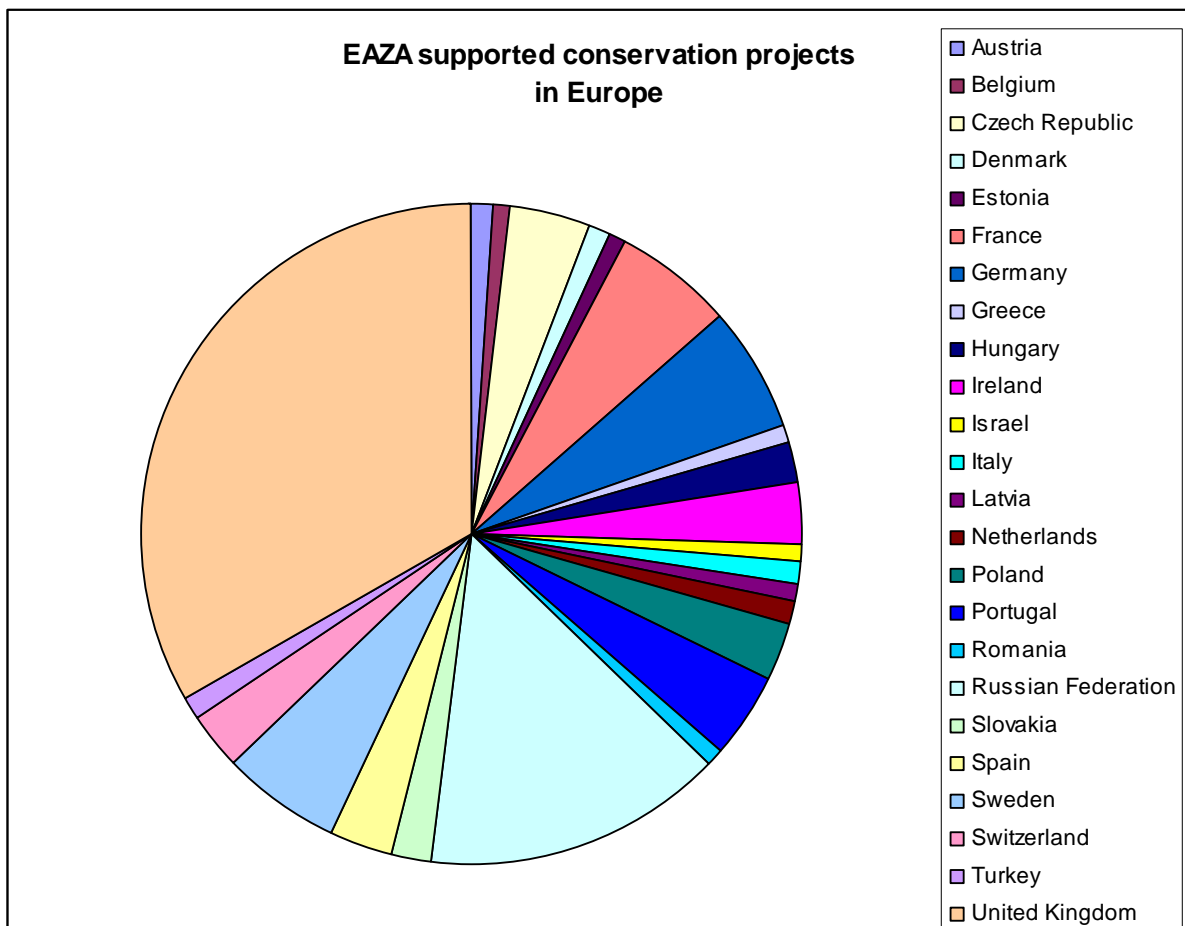

Croatia/Hungary
Eurasian griffon vulture (*Gyps fulvus*)

France/Italy/Spain
Black vulture reintroduction project

Austria/France/Italy/Switzerland
Conservation of the Bearded Vulture

Austria/Italy
Naturliche Replikpopulation als Basis fuer eine ökologische Besatz-Strategie zur Wiederansiedlung der alpinen

Austria/Italy
Northern Bald Ibis project in the Alps

Oceania (11)

Australia-AU
Habitat for Koalas

Fiji-FJ
Population assessment of pink-billed parrot finch

French Polynesia-PF

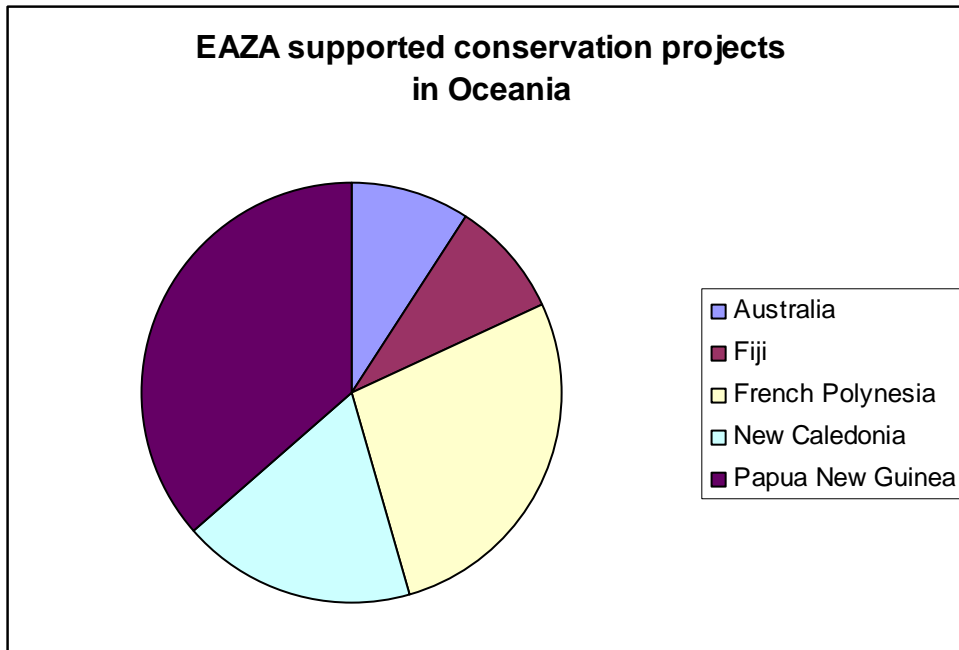

Conservation of endemic birds of French Polynesia
Pacific Island Land Snails
Partula snail mortality

New Caledonia-NC

Impact of introduced mammals on endemic bird in New Caledonia
Ouvéa parakeet conservation programme

Papua New Guinea-PG

Blue eyed cockatoo project
Conservation in the transfly of southern New Guinea
Crowned pigeon project
Palm Cockatoos project

International (8)

Berggorilla and Regenwald direkthilfe
Humans and Animals (Awely) – resolving conflicts
Kalaweit – conservation of gibbons
RSPB veterinary project
Storks without frontiers
The Osteolaemus tetraspis project
Tiger Census Techniques Workshop

Australia/Canada/China/Philippines/Portugal/South Africa/United Kingdom/United States

Project Seahorse
